CHAMBERS OF  
JUSTICE STEPHEN BREYER

February 9, 2007

Ms. Tara L. Tate  
Glenbrook South Debate Society  
4000 West Lake Avenue  
Glenview, IL 60090

Dear Ms. Tate,

You are right that I was once a member of the Lowell High School debate team. Many San Francisco High Schools were active in forensics. Our debate coach, George C. Lorbeer was famous in Northern California and had once coached Pat Brown (and my father too). The forensics training taught me how to speak in public and helped me very much in my later career.

My very best wishes.

Yours sincerely,

Stephen Breyer
