

NATIONAL SPEECH & DEBATE ASSOCIATION TROPHY SHOP

FROM LOCAL TO NATIONAL, WE CAN DO IT ALL!

Speech and debate coaches can utilize the National Speech & Debate Association's Trophy Shop for their local and district tournaments, team banquets, and school awards. We have thousands of trophies, medals, and plaques to choose from in the online store. Additionally, schools and coaches can create customized awards by working directly with our Trophy Shop Manager, Chad Wagner.

CHAD WAGNER brings more than 10 years of engraving and awards experience to the National Speech & Debate Association. He has been producing awards for the Association since 2007. Every year, he produces awards for numerous tournaments and organizations throughout the country and creates more than 2,200 awards for the National Speech & Debate Tournament alone!
