

2019 NSDA Congressional Debate Final Round Worksheet

Speaker	Evaluate the speaker's case. Look at structure, claims, citations, analysis, and impacts.	If they were a very early speaker, what did they do to set up debate for the round? If they were a later speaker, what did they do to refute other speakers?	What did the speaker do to stand out in such a crowded room? Pay attention to presentation, rhetoric, and refutations.
