

# ENTRY AGREEMENT FORM – Middle School Nationals 2019

The required school Entry Agreement form must be signed and uploaded by May 10. It will ask for the signatures of your school’s principal, coach, and adult chaperone at the tournament.

Download the form by going to the “General” tab of your registration and clicking the blue arrow. Once it has been signed, scan a copy or take a photo of the sheet. Upload the signed form using the uploader and click “Go”. The red X will change to a checkmark once the form has been properly uploaded.

This form must be uploaded with complete signatures and accurate list of students by May 10. Late uploads will cause a \$200 late fee to be added to your account. Students may not compete at the 2019 Middle School National Tournament without this completed form.
