

The speech and debate team of Buhach Colony High School is a safe environment where our students can speak their truth and enrich the overall culture of our school. Our speech and debate team competes with pride and embodies the spirit of competition. Our team is the top award-winning club on our campus. The students have the opportunity to speak in public with prepared confidence and represent our school throughout the country. To say we are a proud supporter of the team would be an understatement. We are truly honored to support speech and debate at BCHS.

Roll Thunder!

Jennifer L. Euker
