Discussion Worksheet

Name of Competitor: _____

Question: _____

Answer: _____

Main Point Tag Lines:

1. _____
2. _____
3. _____

General Questions:

Did the speaker have a clear answer to the question? Did they share the question word for word?

Did the introduction properly prepare you for the topic set out by the question? Did the Introduction offer you an overview of why answering the question is significant? Provide examples.

Was the speaker able to distinguish their main points? Does each point stand to support the answer independent from the other main points? If not, why do you think so?

How did the speaker provide evidence? (What specific information did they say that would need a citation, did they cite books, magazine, newspapers, special journals, did they clarify any important biases the sources may lean towards, did they use enough citations, etc.)

Did the speaker seamlessly utilize transitions (physical and/or with language)? How might the speaker have added nuance to their transitions?

Did the speaker offer impacts toward the end of each main point? If so, explain how it helped the audience understand their answer to the question.

Comments (optional): Provide any general comments about the performance and/or event here.
