Competitor: _____

Script
Title: _____

General Questions:

What is the topic?

Did the speaker have an AGD? What was the AGD?

How did the speaker distribute the information? (i.e. Did they talk about the history and its effects on society, did they talk about how it was made, etc.)

Visual Aids:

Did the speaker use visual aids? If so, provide a list of the visual aids that were used.

Pick three of the visual aids that were used and explain how it aided in the information about the topic. (i.e. different toy cars were used to show how cars changed over the years)

Did the speaker seamlessly utilize the visual aids within their speech, or did it seem forced and abrupt at times?

Introduction:

Did the introduction properly prepare you for the reasoning of why we needed to be informed about the topic? Provide examples.

Did they use a quote, statistic or personal story? If so, list them and explain how it helped the audience prepare for the rest of the speech.

Comments (optional): Provide any general comments about the performance and/or event here.
