Upload Details:

- Competitors in **DI, HI, DUO, POI, INF, and OO** are required to upload a working copy of their speech/script by April 17 through the Tabroom.com registration system. These are the files that will be reviewed if there are any concerns or protests during competition.

- To upload script materials, click on the “Entries” tab of your school’s registration in Tabroom.com, select the blue and white edit button next to the entry, and upload the appropriate document where it says, “Choose a File”. Save by selecting “Upload Forms”.

Interpretation Event Script Requirements:

By April 17, all competitors in DI, HI, DUO, and POI are required to upload the following to Tabroom.com.

1. A photocopy or printed screenshot of every page of the original source from which any line of the cutting was taken.
 - a. Pages should be turned in in the order in which they are performed (e.g., if text from one page is used more than once in the cutting, that page should be copied again and re-inserted where it is used). Students are not required to photocopy or print pages that are not used in their cutting.
 - b. Students must highlight all words used from the script. Words not used should be left unmarked.
 - c. Any word changes (to eliminate profane language) or words added for transitional purposes, including the introduction, must be indicated clearly in ink.
2. An unmarked, typed copy of the cutting. This must be the final cutting that the student is using for the tournament.
3. Competitors in POI must also upload a works cited page of all sources used. Please note that POI students must upload photocopies for every source used.
4. Students will not be required to produce their original source.

**Original Oratory and Informative Manuscript Requirements:**

- By April 17, all competitors in OO and INFO are required to upload a typed copy of their manuscript and a works cited page (APA or MLA format) to Tabroom.com.
- All direct quotations must be identified on the uploaded manuscript; no more than 150 words may be direct quotation from any other speech or writing. The manuscript should state the number of quoted words on the uploaded copy.
- The contestant and the coach should sign the uploaded manuscript to attest that the speech is the original work of the contestant.
