NO. 4

MARCH, 1927

Nomination of Candidates

Nomination of candidates for National Council has now been closed. In those Districts where several candidates have been nominated the names are being referred at this time to the Active Members for prefcrential voting. Attention is especially directed to the fact that the votes must be in the Secretary's office before April 1st.

In Districts where only one candidate has been nominated the person's name will go directly onto the final ballot and there will, of course, need to be no voting at this time.

The candidates chosen at this time will be voted on by the entire Active Membership during April for the election of National Officers. General Order No. 8 providing for this election is published in full herewith. As it will not be published again this year it is requested that chapter officers preserve the copy for guidance in the voting procedure in the election taking place in April.

A Proposed Amendment

For some time the members of the Executive Council have felt that our system of credit points for debate was somewhat unfair in that it gave a disproportionate number of points for a non-decision debate as compared with the number awarded to the members of a losing team. As most non-decision debates appear to be merely preliminary or "practice" debates it has been deemed unjust that such a debate should entitle the participants to more credit than an actual league contest in which the team loses by a narrow margin. Therefore the following amendment to the constitution is proposed by unanimous vote of the Executive Council and submitted to the Active Members for ratification or rejection. A majority of the votes of all Active Members must be east in favor to adopt the amendment.

Amendment II

"To amend Article IV, Section B, by striking out the figures "9, 8, 7" as credit points for members of non-decision teams and inserting in place thereof the figures "6, 5, 4," respectively, so that the number of credit points awarded to members of non-decision debate teams shall be the same as the number awarded to the members of a losing team.

Ballots for the voting on this amendment will be sent all Chapters next month. Meanwhile the members are asked to consider it and discuss it at Chapter meetings. Furthermore the columns of this Bulletin will be open to any member of Chapter desiring to express view or arguments for or against the proposal. Such matter for insertion in the April Bulletin should be sent to the Secretary not later than March 31 and should, by the limited size of the Bulletin, be brief and to the point.

Annual Dues

As announced in the February Bulletin the list of Chapters from whom the annual dues have not been received up to this time is herewith published as a kindly reminder to those chapters to take up the matter immediately. The amount is one dollar a year.
