Lamar's total was amassed in 14 trips to the National Tournaments beginning in 1951. Included in the total are a champion in Boys' Extemp, second in debate, second in dramatic interp, second in Girls' Extemp. Lamar won the National Sweepstakes award in 1953 and 1954.

Thirty rounds were added by the Lamar students this year for a total of 217 rounds of National participation. The students Brad Westmorland, David Wade, Tom Sharp, and Chris Pappas, and their coach Mr. Emerson Turner were presented the TKA award by Mr. James F. Hawker, whose Lafayette-Jefferson, Indiana squad won it last year.

The semi-finalists were Wayne Grajewski and Brian Oxman from LaMirada, California coached by Mr. James Dyer; Houston-Lamar debaters were Brad Westmoreland, David Wade, and were coached by Emerson Turner. The final debate was chaired by Father John J. Miday St. Ignatius-Cleveland, Ohio.

#### **Individual Events**

With the exception of Original Oratory, the individual event first place winners had comfortable margins. In most cases the judging of the individual event was consistent. Carolyn Ervin (G.E.) and Gary Ward (O.O.) were at Nationals before, but it was the first time for Darren Kelley (D.I.) and Daniel Furniss (B.E.)

#### **Boys' Extemp**

Only four students survived the semi-finals to compete for the

National Championship.

In analyzing the question, "Is There a Decay in the Moral Fiber of People in the U.S.A.?" won this year's event for Daniel Furniss, of Bellarmine Prep., California. He was coached by Mr. James Harville.

Paul Zarefsky of Houston-Bellaire gave the Californian good competition as he finished second with an analysis of "Is Stalinism Growing in Russia?" Discussing the Federal Reserve Board and its influence won the third spot for Brad Westmoreland of Houston-Lamar, Texas; Scott Glabman of Hiland Park, Illinois spoke on Supreme Court Restrictions on the Police.

Finals in both Boys' and Girls' Extemp were cross-examination style.

### Girls' Extemp

Four seemed to be the magic number in the individual events. Four girls competed for the National Girls' Extemp title. With a lead of five points going into the finals Carolyn Ervin of Tustin, California, coached by Mr. Ken Turknette, used the Sino-Soviet Split to win the NFL Girls' Extemp event.

The championship would have gone to California any way if Carolyn had faltered for in second place was Jana Waring of Mark Keppel HS, Alhambra, California speaking on a "Voluntary Army." Laura Pilz of Boardman HS, Ohio spoke on Governor Regan and placed third; in fourth place was another Californian, Susan Bussey of Oceanside, California, who spoke about Eugene McCarthy.

Extemp preparations for both boys and girls was supervised by

Supt. H. B. Mitchell of Seminole, Okla.; Prin. Glenn E. Burnette of Topeka, Kansas; Mr. L. D. Hanks, Marshall HS, Los Angeles, California; and Mrs. B. H. Eldridge, Madison, Tennessee.

### Original Oratory

Again only four made it into the finals. The contests were between two Coloradians and two Californians. Colorado prevailed as Gary Ward of Fort Logan-Mullen won the event. His coach is Mr. Frank Sferra. Gary received four first places from the judges for his speech entitled "As Night Falls."

Richard Mitchell, Richmond-Kennedy, California was second with "Why Did They Kill Dr. King"; Glen Nelson, Santa Ana Valley HS, California took third place with a selection entitled "Invisible Man"; Richard Bright of Aurora HS, Colorado used the title "Picture This Scene" to enter the final round.

### Dramatic Interpretation

Todd Nielson, Newton, Iowa entered after surviving five rounds as a second event debater and placed second. Third place was picked up by Michael McCormac, Yankton HS, South Dakota.

David Alley, Parkview High School, Springfield, Missouri, coached by Mr. Bob Bilyeu took first place in Impromptu speaking on "As He Thinketh in His Heart, So Is He." ### **Tournament Officials**

The orderly operation of a national tournament is the product of experienced people. The tournament officials are people who have had experience in conducting tournaments in their own states, and in many cases have worked in the central office at a National Tournament.

Once again the operation of the central office was in the hands of Dr. Richard L. Jacob of Cornell College. Working on sectioning, parings, and results were Mr. Dan J. Tewell, Pittsburg, Kansas, Mr. Louis H. Banker, Fort Osage HS, Missouri, and Mr. Malcolm Bump, Hendrick Hudson HS, Montrose, New York.

Judges were assigned by Mr. James F. Hawker, NFL Vice-President; Mr. Albert Odom, NFL Assistant Secretary, and Mr. Frank Sferra, Fort Logan-

Mullen HS, Colorado.

The Impromptu Speaking Chairman was Miss Natalie Weber, Homestead HS, Sunnyvale, California. Mr. Vernon W. Metz, NFL National Council Member, took care of the Radio Announcing as he has done for several years.

Mr. Lester M. Tucker, the new National Secretary, was tournament records officer. The National Office Staff, consisting of Mrs. Ruthmary Hilke, Mrs. Mary Ann Draeger, Mrs. Judy Machkovich, Mrs. Marilyn Hageman, and Mrs. Alice Schleicker, took care of NFL tournament registration. As in past years Mr. Bruno E. Jacob served as over all tournament director.

W. Metz, North Hills HS, Pittsburgh, Pennsylvania who gave generously of his time to fly many times to Washington, D.C. to make the innumerable arrangements that were necessary to the smooth running of a tournament. Mr. Metz we thank you for your excellent job as Chairman of the Washington, D.C. Tournament.

Dr. George F. Henigan, our host at George Washington University, deserves our many thanks for his aide in making efficient use of the university buildings. His staff members Mr. Thomas Harris and Mr. Thomas Zaucha, who saw to many of the problems of room changes and location of buildings about the campus, we give our thanks for their very kind and generous guidance around George Washington University. We do not have the space to list the names of all the time keepers, but we

can thank them through Mr. Harry T. Klugel, of Wheaton, Maryland, who directed the assignment of time keepers.

Even though we had more coaches present at this tournament than at previous tournaments the number was not sufficient to meet the needs. Through the administration of Dr. James J. Unger, Georgetown University, a steady supply of local qualified judges was ever ready. We thank him for searching so dilligently to find the needed extra qualified judges and for his help in making the tournament a pleasant one.

Miss Emma Dean Morris, North Hills HS, Pittsburg, Pennsylvania, provided morning hospitality in the coaches lounge. The early morning cup of coffee was appreciated.

The tournament banquet on Monday night was arranged by Miss Carmendale Fernades, Fremont HS, Sunnyvale, California. Miss Fernandes introduced the special guests. Thank you for a job well done.

# Washington Congress Active

The 1969 National Student Congress was called to order on Monday morning, June 16, by speaker protem Gary Stewart, Oregon. The Law Courtroom of George Washington University was the scene of heated debate and parliamentary maneuvering for the days of legislative sessions after preliminary business and committee meetings held that first morning. In such cases the committee did an outstanding job of amending until the legislation contained the best of wording.

Passed was a resolution to abolish the electoral college and elect the president and vice-president by popular vote. This resolution was the amended form of S.R. 11 by the New Jersey District.

The second resolution discussed was S.R. 17 by the Eastern Ohio District. This called for the deployment of the Safeguard Anti-Ballistic Missile System. After long and heated debate the resolution failed to receive the necessary votes for passage.

Florida District's S.B. 6 for the establishment of a guaranteed annual income was debated and finally tabled.

The Oregon District resolution to extend diplomatic recognition to the Republic of Biafra and to extend economic and non-military aid failed.

Most heated debate came from the rewritten form of a bill for complete withdrawal of troops from Vietnam. Debate was heated and emotional. Interest was high. When the votes were

counted the measure was defeated by only one vote.

The final action before adjournment was a special resolution thanking Mr. Bruno E. Jacob for his outstanding contribution in a time when youth are so much in need of a strong direction.

The Student Congress Trophy, similar to the Tau Kappa Alpha tournament award, was awarded to Houston-Lamar, Texas with a total of 39 points. The award was accepted by Chris Pappas, who was also this year's most outstanding senator and by his coach, Mr. Emerson Turner.

## In Memoriam

Miss Rebecca Thayer, who was NFL sponsor at Sunset-Dallas, Texas for more than 20 years and a Diamond Key coach, passed away in July. Her teaching career spanned 42 years. In the last few years she had been suffering from failing health but her one consuming desire was to return to teaching. For the past two years, the Sunset Speech Tournament has been named and held in her honor.

# Final Student Congress

Since so few chapters participate in the final district congress, we feel that the majority of schools are not interested in this activity. If the chapters do not prove they are interested, the schools will kill congress, not the Council.

The Council has decided that a student must accept his or her first qualifying win for the national tournament, so the Council suggests that districts hold the final district congress after the district speech and debate tournaments have been held.

This year the district chairmen will apportion the congress. This apportionment will be made from the last report of chapter strength they receive from the national office. The apportionment will be made on **Tuesday two weeks** before the week in which the congress is to be held. **A copy of the apportionment** shall be sent to the national office.

At least thirty (30) days before the congress date, the district chairman shall send to each participating school a copy of not fewer than four nor more than six bills or resolutions which shall constitute the calendar for each house. At the same time these bills (duplicated or mimeographed) shall be sent to the national office.

There must be twelve (12) **chapter schools** in the Senate. The students from these schools must be members on record in

the national office at the time of the congress. All Senators from these schools must participate **actively** in legislative debate.

Committee meetings are optional.

There must be four (4) hours of legislative debate in addition to committee meetings and time used for elections.

Not fewer than five (5) days after the congress has adjourned, the report of the congress must be sent to this office on the **Official Report Sheet**, along with a list of the schools attending, the students from each school, and points earned. If committees are a part of the congress, you must list points for committee meetings and points for legislative debate in separate columns.

Study your Congress Manual carefully. If any one rule or regulation is violated, the congress will be declared a no-contest and the student elected to the national congress will be ineligible to attend.

If fewer than twenty (20) districts qualify senators, the national student congress will be cancelled the following year.

Remember, the congress is not an event to be used for drop-outs from speech contests and debate. Hold this event on a date other than that of the district speech and/or debate tournament.
