## WET AND WONDERFUL

Seventeen inches of rain spread across national tournament week failed to dampen the competitive spirit of the 1995 Phillips 66 Southern Exposure National Speech and Debate Tournament - The Nova Nationals.

More monsoons could not wash away the largest National Tournament of all time and one of the very best.

Held at Nova High School, the Sheraton Yankee Trader, the Marina Marriott, the Airport Hilton, the Broward County Center for the Performing Arts, the hostess (with the mostess) Rhoda Radow welcomed 208 debate teams, 212 Lincoln Life L/Ders, 386 extempers, 203 orators, 413 interspers, and 349 members of the John C. Stennis 50th Anniversary Student Congress. With 127 double entries the total number of student participants was 1852. Registered coach judges numbered 1035, local judges 80, and an uncounted number of parents, friends, visitors and observers boosted the 1995 NFL crew to over 3000!

Sunday began with a smooth registration at the Hilton followed by a reception for new coaches. Mid afternoon offered a reception for NFL district chairs (both receptions elegantly planned by NFL VP Billy Tate) and a district chair seminar. Sunday evening the Big Tournament attended the Big Top as Rhoda scheduled a buffet meal at the circus. High wire acts, magic illusions featuring live animals, tricks by horses and elephants left the crowd wildly applauding.

On Monday students and coaches got down to business at tournament and congress sites. The Nova National Tournament was dedicated to Tedd D. Woods. Now ailing and unable to attend, Mr. Woods before his retirement coached NFL's largest chapter at Harvard (CA) where he earned more NFL points - 31,600.7 - than any coach in history.

Both Nova High School and Nova Middle School were used for the tournament, almost 140 rooms! Rhoda Radow, Nova NFL President Aaron Kall, Sean Weiner, and tournament associate director Richard Sodikow kept the tournament on time by superb planning and flawless execution. Manatee District Committee members Marcia Stofel (Hospitality), Lisa Miller (Directions), and Beth Goldman (Transportation) worked long hours at the tournament. South Florida Chair Fran Berger raised funds and provided volunteers, and Merle Ulery served as treasurer. And kudos to Rhoda's husband Frank Flynn!

Monday evening's Hall of Fame and Diamond Dinner honored NFL's best as NFL Prexy Donus Roberts was on mike to praise (and roast) the honorees.

Excitement increased Tuesday evening as the 60 top debate teams and Lincoln Life L/Ders were posted. Wednesday noon 60 top speakers in each

category were posted amid shrieks, cheers, gasps and tears. Non qualifiers headed to register for supplemental events.

By Thursday evening speech finalists had been revealed, though run-off debates were needed Friday morning. Billy Tate hosted a festive dinner as NFL welcomed its corporate and association sponsors. Lincoln Life honored NFL by sending President Jon Boscia and several regional CEO's and corporate officers.

Other NFL friends included Rex Buffington from the Stennis Center, Joan Keston and Paul Lorentzen of PER and James Elson, Mrs. Edith Poindexter and Mrs. Carolyn Lusardi from the Patrick Henry Memorial Foundation. NFL welcomed two new sponsors: Diplomatic and Consular Officers Retired (DACOR) represented by Ambassador Frank Devine and the American Society Public Administrators represented by Dr. Linda McNish. Mike Morris and Brad Ziff from NFL's advisory board also were present.

Meanwhile, Glenn Cavanaugh, Ron Underwood, Ed Kelly and crew smoothly accommodated over 500 entries in consolation impromptu.

Friday's events took place in the \$40 million Performing Arts Center. NFL students and coaches were treated to receptions with two prominent NFL sponsors: Mr. W.W. (Wayne) Allen, CEO of Phillips Petroleum visited nationals with his lovely wife, Judy, a former English teacher.

President Roberts presented NFL's prestigious Communicator of the Year Award to Mr. Allen, who then addressed the tournament and received a standing ovation. After the Allen's met students and coaches, at a reception, Mr. Allen appeared before the National Student Congress for a Press Conference.

Mr. Jon Boscia of Lincoln Life also spoke to the tournament and hosted a reception for L/D students and coaches where he announced a doubling of the L/D scholarships. Lincoln Life's presence was a high point of the tournament as L/D qualifiers were given Lincoln Life L/D sweatshirts at registration and a catered reception on Friday.

Finals went smoothly as some of the finest speaking in NFL history mesmerized an audience of close to 2000 in the ornate auditorium.

The Awards assembly featured a proclamation from the Mayor of Ft. Lauderdale, a speech by Florida Education Commissioner Frank Brogan and a thunderous standing ovation for Rhoda Radow who hosted the last single site nationals with glamour, verve, style, panache, and elan!

Her efforts had all of NFL "Singing in the Rain."

## 1995-6 NFL L/D TOPIC BALLOT

### RESPOND IMMEDIATELY

These ten topics have been selected by the NFL Executive Council to be voted on by all NFL chapters in September of 1995. The result of this balloting will determine the 1995-1996 Lincoln-Douglas debate topics.

Vote for no more than five topics. Ballots must be received in the NFL office no later than September 19. Vote now!

Resolved that:

- \_\_\_\_\_ That limiting constitutional freedoms is a just response to terrorism in the United States.
- \_\_\_\_\_ When in conflict, American cultural unity ought to be valued above cultural diversity.
- \_\_\_\_\_ Society's obligation to the poor ought to be valued above individual economic freedom.
- \_\_\_\_\_ Preferential treatment of indigenous persons is justified in the United States.
- \_\_\_\_\_ The pursuit of feminist ideals is detrimental to the achievement of gender equality.
- \_\_\_\_\_ That legal protection of individuals because they are gay or lesbian is justified.
- \_\_\_\_\_ That the U. S. Constitution ought to be interpreted by the Supreme Court strictly by its terms and any expressed intentions of its framers.
- \_\_\_\_\_ Private armed forces are justified in the United States.
- \_\_\_\_\_ When in conflict, society's goal of eliminating discrimination ought to transcend an individual's right to participate in exclusive, voluntary associations.
- \_\_\_\_\_ An oppressive government is more desirable than no government.

Dear Forensics Community,

On behalf of the students, faculty, staff and alumni association of the *Trojan Debate Squad*, it is with the greatest of pleasure that we invite you to the 35th Annual **TROJAN CHAMPIONSHIPS**, which will be held on **November 10th, 11th and 12th, 1995**. Last years tournament was a huge success with schools from nine states in attendance, and this year looks even better. Tournament highlights include;

1. **A RELAXED, THREE-DAY FORMAT**--on Friday evening, three rounds of Team and Lincoln-Douglas Debate will be held, followed by a coaches' reception. The events of Saturday night will include a student & coaches reception in the Chancellors Suite of the Tournament Hotel. All elimination rounds will be held on Sunday, November 12, 1995.

2. **NOTEBOOK COMPUTER AWARDS**: Through the generosity of our alumni and other benefactors, three (3) laptop computers will be awarded to: (1) The First Place Winner of the Championship Lincoln-Douglas Debate Division; (2) The First Place Winners of the Championship Team Debate Division and (3) The "Grand Sweepstakes" winner. Computers will be given to the directors of forensics. No one school can win more than one computer.

3. **OUTSTANDING TAB ROOM AND JUDGES**. This year's tab room will include *Paul Derby* and *John Day*, the two newest additions to the USC coaching staff and *John Heintz*, (who coached the 1994 TOC and NFL team debate champions!) to name just a few. We also pledge to bring the best and brightest minds for adjudication of each event.

4. **TOC QUALIFIER / STANFORD SWING AWARD**: Participants advancing through the elimination rounds have received a leg to the TOC (Entry size will dictate how far one must advance to qualify). We also encourage all participants to attend the Stanford University Fall Tournament, as there will be a "Swing Award" for both the varsity Team and Lincoln-Douglas debaters with the best combined preliminary record at both tournaments.

We hope you make plans early to attend, as our tournament hotel tends to fill up quickly. (*Holiday Inn Crown Plaza*, (800) 872-1104 or (213) 748-4141, identify your group with the "*Trojan Championships*" for our special rate.) If you would like an invitation or further information, please feel free to contact either Paul or myself. (818-784-4012 or E-mail at: [DAMUS@AOL.COM](mailto:DAMUS@AOL.COM) ). I hope to see you in sunny Southern California in November!

Warmest regards,

# BRUNO E. JACOB COMMENDATION

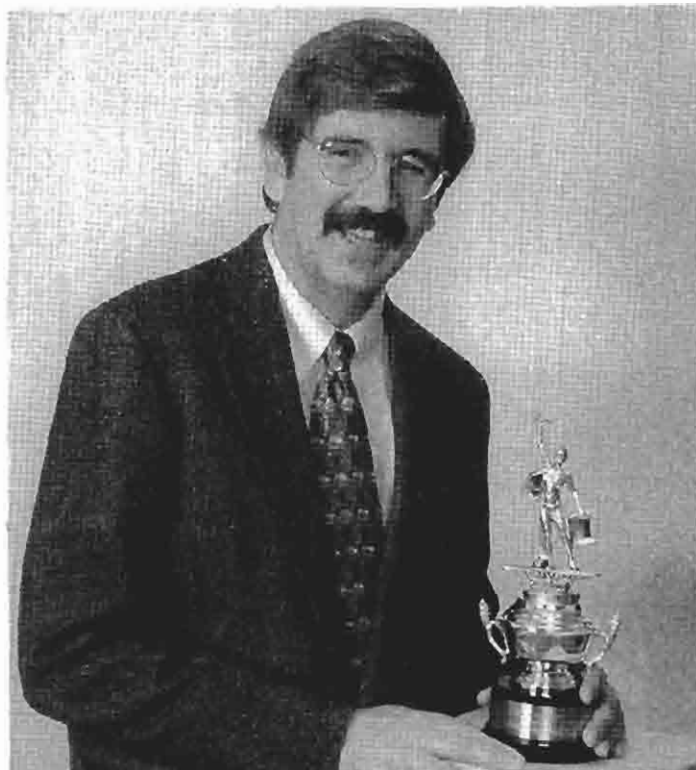

Presented by Ripon Foods

Ripon Foods of Ripon, Wisconsin baker of "Rippin Good Cookies" sponsors the Bruno E. Jacob Commendation. Mr. Jacob, founder of NFL, and his work in speech communication were well known in the Ripon Community and to Ripon Foods. The company believes in education, NFL and "Training Youth for Leadership."

The Bruno E. Jacob Commendation Award is not simply an annual trophy given at the National Tournament. The Commendation represents many years of outstanding coaching and many qualifiers to the National Tournament and signifies excellence and dedication to good speech training by the coach receiving the award.

NFL By-Law 17 section 4 states: If more than 50 percent of the points necessary for the procurement of the Pi Kappa Delta/Bruno E. Jacob trophy were gained under the direction of one instructor, such instructor shall receive a miniature replica of the trophy in recognition of his/her service in effective speech education.

This year the award goes to Mr. Randall McCutcheon coach at Albuquerque Academy.

Randall McCutcheon  
Albuquerque Academy, NM

## L/D Topic Release Dates

August 15	September - October	December 1	January - February
October 1	November - December	February 1	March - April
	April 15	National Tournament Topic	

---

## DO YOU WANT THE CURRENT L/D TOPIC?

You want the L/D topic and NFL wants you to have it, but --

### The Problem

NFL is unable to handle the large number of callers requesting the L/D topic every two months.

One call from each of NFL's 2500 plus schools would be difficult, without the additional calls from

- \*Several students from the same school on the same day.
- \*Teachers and students from Non-NFL schools who refuse to join NFL.
- \*Handbook publishers who do not advertise in the Rostrum.
- \*People who have received their Rostrum but would rather call than read.
- \*Collect, "emergency" calls demanding the topic!

Because the national office is small, hard working and understaffed, we can't handle the flood of calls at our busiest times. Yet everyone want the topic on the date of release, so --

### The Solution

The L/D topic will always appear on the banner page of the Rostrum, the official voice of NFL.

The L/D topic will always be available on the NFL telephone answering machine. Call (414)748-LD4U (748-5348). Call anytime, 24 hours a day for the recorded topic.

The L/D topic will soon be available on our computer modem. Have your computer call (414) 748-9393 and you will find the L/D topic on the "Bulletin Board."

And some district chairs and state league directors send out newsletters with the L/D topic.

### Remember

You can always get the topic by answering machine, computer modem, the Rostrum. So good debating -- and thanks for your understanding and cooperation.

## Expert Testimony!

"One of the really first rate ideas in education is Lee Miller's weekly 'Kiplinger Style' newsletters for the forensic community. *U.S. Information* is top notch for weekly debate topic news updates. *U.S. Law* is also good. Debaters and extempers also appreciate *U.S. Government* and *U.S. Economics*. These periodicals are invaluable to serious students."

JAMES COPELAND (*Rostrum* magazine)

"Naturally, I only agree with about half the information — the conservative stuff. But, I want to know where this newsletter was when I debated years ago and had to struggle to find the really good evidence."

To whom it may concern,

Our debate team found the weekly newsletters from Information Press to be invaluable help for up-to-the-minute information on the debate topic for this year. A piece of information from that week's newsletter won an argument at the state tournament for one of our teams.

We have already started a file on next year's topic from your material.

Thank you for needed information.

Sincerely,

# **Guerrilla Briefs**

## **Policy: Guerrilla Briefs "China: Friend or Foe?"**

This handbook is one of the market's largest volumes with complete affirmative extensions, inherency blocks, killer counterplans, multiple disadvantages, case side significance reductions, solvency dictates and much, much more! Guerrilla Briefs refuses to rip you off by shoving generic meatball arguments like Malthus, Inflation and Socialism down your throat. All evidence is recent and topic specific. You will find evidence here that is not offered in other handbooks or in your public libraries. Disadvantages link specifically to affirmative cases and provide realistic scenarios with low or high impacts depending on the philosophy of your district. **One Copy \$24.00**

## **Lincoln/Douglas: Guerrilla Briefs "Philosophy: Friend or Foe?"**

This in-depth volume contains both affirmative and negative positions posited by the best of the ancient and classic philosophers as well as complete briefs concerning recent and contemporary philosophy. Briefs on paradigm and theory analysis give debaters an edge in L/D competition. No other book is so comprehensive in its scope. Recent CLS evidence is included along with value objections ranging from the strictly theoretical to the empirically proven with absolute real-world implications. **One Copy \$24.00**

## EXPLANATION

These results contain the round rank for each speech contestant and the round by round win-loss record of each debater through round 10. Advancement in Speech from round 6 to eliminations, round 8 to quarter finals, round 10 to semifinals and round 12 to finals is not always based upon ranks. If there is a question about advancement please consult the national tournament section of your chapter manual (See Section V, page TN3) or the tournament results booklet. These results are to help calculate NFL points. Speech rounds 11 and 12 are found on page 43. Debate Eliminations are listed on page 40.

## HOW TOP SIXTY CONTESTANTS WERE DETERMINED

HUMOROUS	To break in Humor took a cumulative score total of 17 for the 6 prelim rounds. Three were tied for the 60th position. The break required no more than one true rank of six and at least two round ranks of one and at least five first place ranks from individual judges.
DRAMATIC	To break in Dramatic Interp took a cumulative score total of 17 for the 6 prelim rounds. Ten were tied for the 8 final positions. On the basis of actual round ranks 1 was eliminated because of 2 actual ranks of 6. One contestant had no round rank of 1 in any preliminary round and was eliminated.
ORIGINAL	A cume of 18 was needed to emerge from the 6 prelims. Seven students were tied for the 3 final positions. Three were selected that had no sixes and had at least one first place.
U.S. EXTEMP	A cume score of 14 was needed. Seven were tied for the six final positions. One was eliminated because s/he was the only one of the seven with a rank of 5.
FOREIGN EXTEMP	A cume of 14 was needed to break. Of the thirteen tied at 14, four were selected to round out 60 qualifiers. Five were eliminated with less than 5 judge ranks of first. Two were eliminated with no firsts in round rankings. Two were eliminated because of round ranks of 4.
L/D	It took a 4--2 record with 11 or more winning ballots and at least 758 adjusted speaker points (dropping the high and low points for each team member).
CROSS-EXAM	It took a 4--2 record with 11 or more winning ballots and at least 837 adjusted speaker points (dropping the high and low points for each team member).

# ECONOMICS IN ARGUMENTATION

## RESOURCE BOOKS ON US/CHINA FOREIGN POLICY

### THE ECONOMICS OF U.S./PEOPLE'S REPUBLIC OF CHINA FOREIGN POLICY \$15

Evidence in the form of arguments about topics including trade, growth, population, and the environment assembled by Philip Michelbach, a former debater at the University of Kansas. *Longtime purchasers of Economics in Argumentation research materials know to expect readily defensible economic-based arguments from respected and consistent sources.* (Available August 1995).

### THE RISE OF CHINA: HOW ECONOMIC REFORM IS CREATING A NEW SUPERPOWER

by William Overholt (431 pp./1993)

LIST PRICE \$14

SPECIAL: \$10

Excellent introduction and overview of economic reforms in China. Overholt argues that China is following in the footsteps of economic reforms in Taiwan, South Korea and Singapore. Chapters on military issues and scenarios that may bring U.S. and China into conflict. Overholt notes that if U.S. revokes MFN it would bankrupt Chinese-owned companies in the southern and coastal provinces (powerful liberalizing influences) and strengthen anti-reform elements in Beijing.

### ECONOMIC REFORM IN CHINA: PROBLEMS & PROSPECTS, edited by J. Dorn & Wang Xi, (383 pp./1990) \$10

Better for background reading than evidence cards, this Cato Institute/University of Chicago Press anthology includes papers from leading market-oriented economists with comments by leading Chinese academics and officials. Though now dated, the analysis by Milton Friedman, Steven Chung, Don Lavioe, Alvin Rabushka and others outline key issues China must address to continue its transition to a market economy. The final article by George Gilder, "Let a Billion Flowers Bloom" is great.

### DISASTER IN RED: THE FAILURE & COLLAPSE OF SOCIALISM, edited by R. Ebeling, (379 pp./1995) \$15

This just-published anthology collects articles from *The Freeman* on the economics and politics of socialist and communist countries. Includes four articles on China and many others on economics of transition from socialism to market. List: \$24.95.

## ENVIRONMENTAL ISSUES AND GENERAL PUBLIC POLICY

### THE TRUE STATE OF THE PLANET, edited by Ronald Bailey (472 pp./1995) LIST: \$15 SPECIAL: \$10

Subtitle: Ten of the world's premier environmental researchers in a major challenge to the environmental movement. Since China's transition toward a market economy has led to rapid economic growth, many debaters are building cases on time-honored growth disadvantages. The contributors to this book provide the analysis and evidence to show that rapid economic growth will continue to improve environmental conditions. Other contributors show why population growth is generally a good thing in market economies, why food output will continue to increase and many other arguments for environmental optimism.

### THE CATO HANDBOOK FOR CONGRESS, Cato Institute (358pp./1995) LIST: \$24.95 SPECIAL: \$15

Less widely known are Cato Institute studies and positions on foreign policy issues.
