

APRIL 2020

World Schools Debate Motions

Prepared Motions

1. This House supports funding the U.S. Space Force.
2. This House supports predictive policing.
3. This House would require schools to provide curriculum that reflects the diversity of the nation in which they exist.
4. This House believes that the Great American Experiment has failed.
5. This House regrets the “colorblind” narrative used in discussion issues of race.

Impromptu Motions

1. This House believes that schools have the right to punish cyberbullying that occurs outside of school.
2. This House would fine individuals who do not recycle at home.
3. This House believes that schools should ban violent sports for students in grades K-12.

Info Slide: Violent sports include but are not limited to American football, ice hockey, rugby, boxing, and MMA.

4. This House regrets the rise of the social media “influencer.”

Info Slide: An influencer is an individual who has the power to affect purchase decisions of others because of their authority, knowledge, position, or relationship with their audience—an individual who has a following in a particular niche, with which they actively engage.

5. This Houses does not support monarchies in liberal democracies.
