# World Schools Debate Motions

---

## Prepared Motions

1. This House would ban a military draft in the United States.
2. This House would replace private healthcare with a comprehensive public healthcare system.
3. This House supports the global elimination of barriers to free trade.
4. This House supports shortening the presidential election calendar in the United States.
5. This House believes that current/former colonial powers have an ongoing financial obligation to current/former colonies to address the impacts of climate change.

## Impromptu Motions

1. This House believes that there is an obligation for presidential candidates to share their financial records with the public.
2. This House believes that the feminist movement should support the narrative that “beauty does not matter” over the narrative that “all bodies are beautiful.”
3. This House would ban political parties.
4. This House would prohibit private ownership of art deemed to be culturally or historically significant.
5. This House would require social networking platforms to remove the accounts of anyone promoting "fake news."
