### Creating an account for NSDA:

Click on *Membership* at the top and then *Join*

Follow the prompts to create an account and link to your student membership at our school (even if you are not a member yet you are still in the system)

*Why must I do this?* NSDA requires that all students register in order for schools and students to participate in the district and national tournaments. You can see your NSDA points and get access to lots of resources such as:

- webinars on events
- practice extemp questions and impromptu topics
- debate topic analyses
- script lists and legal websites
- congress templates and guides

## NSDA Honor Society

Students become members of the National Speech and Debate Honor Society/National Forensic League after they have earned 25 points. These points are earned through competition and service. There are varying levels of achievement based on how many points you have.

Competition points will be logged by Mrs. Page automatically. How to log your service points:

1. Perform a service:
  - giving a speech in the community (at least 25 adults present)
  - competing in public speaking for another organization
  - middle school coaching
  - middle school/novice judging
  - performance in plays/other dramatic presentations
2. Fill out the form by the speech and debate board.
  - may need to change based on what you did (i.e. for coaching you would put # of hours)
3. Pin your completed form to the board.
4. Mrs. Page collects and puts your points into the computer.
